

# Industrial Water Hose Technical Specifications

## Typical Food Hose Construction

Tube	EPDM SBR
------	-------------

Reinforcement	Textile
---------------	---------

Cover	EPDM SBR
-------	-------------

Temperature	-40 F to 200 F
-------------	----------------

Inside Diameter	Length
14" – 24"	Up to 24 ft.
26" – 40"	Up to 20 ft.
3/8" – 12"	Up to 50 ft.

## Other Features

- Beaded ends
- Built in Rubber Flanges
- Built in Stainless Steel Flanges
- Built in Stainless Steel Nipples
- Large Ends
- Soft Cuffs

MADE IN AMERICA
